APARTMENT IN BENAHAVÍS

Great opportunity! Large 3 bedroom unit in a super location. Perfect condition. Every room is spacious; as you enter, big open space which includes the living and dining room, and fully equipped kitchen. The terrace is fabulous; great size and layout, wonderful open views overlooking the sea and green areas, and perfect south orientation so sunny all day. There are blinds and electric shutters to protect from the summer heat. All three bedrooms are of good size, each has their own bathroom. The urbanisation is very well taken care of, from the gardens to the pool and parking (underground, private). The location is top notch, very tranquil yet walking distance to the beach, and a commercial area with everything you need. In résumé, best quality-price ratio. Easy viewings, a must see!
