Every room is designed with a consistent Andalusian style, combining rustic charm with soft tones and a cozy, inviting atmosphere. As you approach the finca, a lovely garden pathway leads you to the entrance. Upon entering, to the right, you'll find the master bedroom — bright, serene, and tastefully decorated in light shades, with a large window facing a peaceful part of the garden. Next to it lies the bathroom, featuring a walk-in shower and exquisite handmade tilework. The second bedroom is also filled with natural light and overlooks the lush garden. To the left, the main living room welcomes you with comfortable sofas, a charming fireplace, and large windows that flood the space with sunlight. Beyond the kitchen, there is a large office room, ideal for remote work or personal projects, with space to create a laundry area if desired. Outside, the property is surrounded by a lush Mediterranean garden with orange trees, olive trees, colorful flowers, and fragrant shrubs. There is also a private fruit and vegetable garden, lovingly maintained by the owners.
