### VILLA IN CABOPINO

This is a great semi-detached house located within a complex of houses in the Cabopino, Artola area by Cabopino Golf and just a three minutes drive from Cabopino Marina and beach. The house itself is on three levels with a private garden on the lower level, a terrace on the middle floor and then with the upper level feeling like a penthouse with an even larger terrace and even better sea and coastal views. The property has a well built modern feel with beige marble throughout. The complex enjoys a community pool. Cabopino is a top location in East Marbella with some of the best beaches on the Costa del Sol.
