PENTHOUSE W NUEVA ANDALUCÍA

Top floor apartment in Nueva Andalucia, very close to Las Brisas Golf Course. Best price in this area ! The apartment was renovated a few years ago with good quality finishes. It is located in a very quiet urbanization with many trees, giving the feeling of being in the countryside. The community has very spacious gardens and two swimming pools. Additionally, there is a communal clubhouse with an indoor heated pool, small gym, and sauna. And there is a tennis court within the gated community. Two bedrooms and two ensuite bathrooms, with a living room and open kitchen that has access to a terrace overlooking the garden.
